Denali Education Center
COVID-19 Mitigation Plan Summary and Participant Release

In order to prevent the spread of COVID-19 during Denali Education Center's programs, the following protocols (based on the CDC's "Guidance for Operating Youth and Summer Camps During COVID-19" issued 5/28/21) will be implemented:

- Prior to the start of a DEC program, all participants, and guardians when appropriate, will read and sign this document.
- Participants who answer affirmatively to the following questions agree not to attend the program unless they obtain a negative COVID-19 test taken within 72 hours of the program's start time. If you anticipate needing a test, contact Justine Schmidt and she'll help you schedule a rapid test 72 hours prior to the start of the program. In the last 14 days, have you:
    - Experienced COVID-19 symptoms or recovered from COVID-19?
    - Been exposed to someone who has tested positive for COVID-19?
    - Traveled outside of Alaska?
- Participants will have their temperature checked and be screened for COVID-19 symptoms and exposure daily.
- Participants and staff will wear masks whenever:
    - In a vehicle
    - Indoors
    - There is expected or possible interaction between the participants and the general public When social distance cannot be maintained
- A 3' social distance will be maintained between youth participants within a group. A 6' social distance will be maintained between all other individuals.
- Participants and staff will wash hands with soap and water frequently and use hand sanitizer when handwashing is not available.
- Participants will follow all CDC, state, and local guidelines pertaining to hygiene, disinfection of surfaces and items, and quarantine and isolation.

- If a participant develops COVID-19 symptoms during the program, that individual will immediately be isolated from other group members and will receive a COVID-19 rapid test
- Confirmation of a participant or staff person developing COVID-19 during the program will result in the immediate termination of that program. Prorated reimbursements may be requested by program participants in the event of a program's termination due to COVID-19.

Please see the full COVID-19 Mitigation and Operations Plan or contact Justine Schmidt at youth@denali.org with any questions.

Participant Release

Is the participant fully vaccinated against COVID-19, as defined by the CDC?
☐ Yes ☐ No

Has the participant previously contracted COVID-19? ☐ Yes ☐ No

Is the participant willing to follow the above protocols to reduce COVID-19 transmission in the 14 days prior to and during your time with DEC? ☐ Yes ☐ No

Is the participant willing to take responsibility for all potential results from exposure to or infection by COVID-19, including, but not limited to personal injury, illness, permanent disability, or death? ☐ Yes ☐ No
