You must present that form and a photo ID at Black Diamond in order to play.

Tournament Rules

- ◆ **RESPECT THE COURSE** including but not limited to: the greens, the vegetation, clubs, carts, staff and other players in the tournament.
- ◆ **DRIVE SLOW AT ALL TIMES** and with respect to others around you.
- ◆ **NO CONSUMPTION OF OUTSIDE ALCOHOL** Please purchase at the restaurant or from the beer cart.
- ◆ **KEEP THE PLAY GOING.** Allow faster teams to play through.
- ◆ It's a **SCRAMBLE**: *Best Hit Ball* determines score. **Best Hit Ball**: Each player tees off. Of the four shots, choose the best hit ball to continue play from. All team members then take their second shot from that spot, and again choose the best hit ball to take their next shot from. Repeat this process until ball is holed. Each Best Hit Ball equals one stroke towards the team's score for that hole. (NOTE: Do not 'tap' in a putt until all team members have had the opportunity to putt. Once the ball is holed, the round is over and the opportunity for others to make the putt is lost)

\$5 Mulligans: (2 per player) Can be used on any hole, **except in longest drive and closest-to-the-pin competitions.** No more than one (1) Mulligan may be used per person, per hole. Mulligans are transferable at the owner's discretion.

-Men play from the BLUE tee markers -Women/Youth play from RED tee markers
